Market Scope's new "2020 Ophthalmic Deals Book" covers 175 ophthalmic company transactions in 2019 and 2020 by over 150 investors, including investments by venture capital firms, private equity, public stock offerings, and sales of companies. The 2020 deals book details fundraising activities and categorizes transactions in ophthalmology by pharmaceuticals/biopharmaceuticals and medical devices/equipment. New in 2020, the deals book provides a quarterly view by sector for the past 12 quarters.

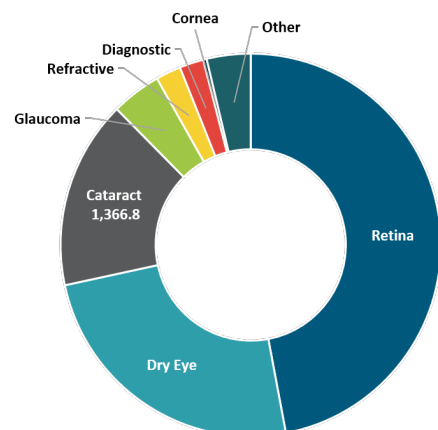

Market Scope 2020 Ophthalmic Deals Book

The "2020 Ophthalmic Deals Book" analyzes investments in ophthalmology and provides information for evaluation of the market value of various technologies, as evidenced by investment amounts and sales prices for new ophthalmic ventures.

The report covers investments in ophthalmic ventures in 2020, with comparisons to 2018 and 2019, including venture capital, public offerings, licensing, milestone payments, sales of products and companies, and major borrowings. The report is designed for entrepreneurs, investors, venture capitalists, and companies looking to invest in the ophthalmic market—and companies looking to raise funds.

- **Transactions categorized by fund use:** new venture, commercial equity, sale of companies, and license payments.
- **Four investment types analyzed in this report:** strategic investors, venture capital, public offerings, and private equity.
- **Detailed transaction analysis provided for seven ophthalmic sectors:** dry eye, retina, glaucoma, cataract, diagnostic, cornea, and refractive. Key investors and transactions in each sector are included.
- **Key metrics in this report include:** companies raising funds, companies making investments, and top funded companies.
- **Company coverage:** Over 300 companies, along with total funds earned, are included in the report; company profiles are provided for 30 companies that raised more than \$99 million in 2019 or 2020.

Breakdown of 2020 Ophthalmic Transactions by Sector

Note: Box size indicates sector total transaction amount 2020.

Company list is not comprehensive.

This report is designed for entrepreneurs, investors, venture capitalists, and companies looking to invest in the ophthalmic market. The information covers investments in ophthalmic ventures during 2020, including venture capital, public offerings, licensing, milestone payments, sales of products and companies, and major borrowings. Ophthalmic ventures during 2018 and 2019 are also referenced for historical context.
