PUBLISHED  
**May 2023**

The second-edition “2023 US and Western Europe Cataract Pharmaceuticals Market Report” features new survey data and forecasts for the United States and Western European markets for cataract pharmaceuticals. The new data explore surgeon preferences for preventing infection, dilation, and managing inflammation and pain. The report now provides the market shares of leading competitors, analyzes pharmaceutical use in the United States by providers’ surgical volume, and studies the developmental pipeline for drugs and drug delivery.

## Market Scope

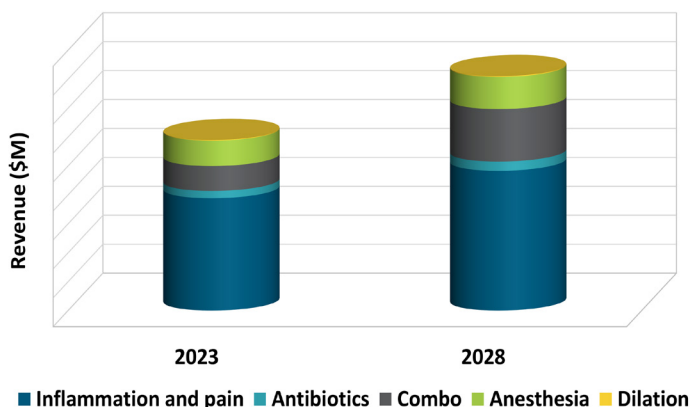

# 2023 United States and Western Europe Cataract Pharmaceuticals Market Report

The “2023 United States and Western Europe Cataract Pharmaceuticals Market Report” offers an in-depth examination of the current cataract pharmaceuticals market in the United States and forecasts market performance over the next five years.
